

**Mad Science Summer Camp
at Holy Family School, Nazareth
(610) 438-0232 – www.madscience.org mslv@rcn.com**

June 26, 2017– June 29, 2017 – 9:00 am – 12:00 pm Cost: \$150/child

Claws, Codes & Constellations (Ages 5-12)

Mad Messages: Discover how to send secret messages to your friends using special codes! Children learn how to talk with numbers, just like computers, and create their very own code “crackers”!

Earth Awareness: How are we hurting Mother Earth? Discover how science will help us protect our planet. Children will understand the basics of water pollution, acid rain and the benefits of solar energy. By actively recycling their own garbage, they will make their very own paper to take home.

The Science of Sport: What do football players, scientists and ballet dancers have in common? Explore how Newton helps us learn why we move the way we do and improve the games we play. Campers experiment with games and activities while learning how physical and chemical science affect their equipment, movement and technique.

Nature: Play the nature scavenger hunt that combines exploration with the animal kingdom. Campers learn about life cycles and animal habitats, and even replicate an animal's footprint.

Space Day: Young astronauts explore the mysteries of the solar system. Children will discover how astronauts live and work in space. The sun, the moon, the stars are only a few of the things that must be dealt with on this Mad Science space mission

Child's Name _____ Date of Birth _____
 School _____
 Address: _____ E-mail: _____
 Home Phone: _____ Emergency Phone _____
 Parent(s)/Guardian(s): _____
 Health Concerns _____
 Parent's Signature: _____

Deadline to Register: June 19, 2017

Please mail completed registration form and payment to:

Mad Science Summer Camp, 2321 Silo Drive, Easton, Pennsylvania 18040

Minimum Enrollment: 15 Campers ** Maximum Enrollment: 25 campers
