

HOLY FAMILY SCHOOL

HOME PARISH PERMISSION LETTER

Dear Home Parish Pastor,

The family listed below indicates they are registered in your parish with the noted student(s) attending Holy Family School.

Sacramental preparation is part of the classroom curriculum at Holy Family School and the family will arrange for the listed student(s) to receive the sacrament at your parish or request and obtain permission, evidenced by your signature below, to receive the sacrament with their class at Holy Family Parish.

Since your parish does not have a school, we hope you would consider helping with a portion of the tuition. We ask this because your parishioner does not contribute to our Sunday Stewardship. If you agree, evidenced by your signature below, an invoice will be mailed to your parish in September at the beginning of the school term. Without your approval the family will pay a higher tuition rate

We appreciate your support of your parishioners and their decision to receive a catholic education at Holy Family School.

Enrollment packet is NOT completed unless this form is completed, signed, and returned, so the correct tuition amount can be applied.

Yours In Christ,

Rev. Joseph Tobias, MSC
Pastor
