Mrs. Christine Bruce, Principal

Dear Holy Family Families,

Thank you for your response to our recent school structure survey. I would like to share the results with you.

- More than 90% of our families want to return to school in the fall (green phase)
- If we must return to a hybrid or online approach (yellow phase or red phase)
 - 52% of families prefer consecutive days (Monday - Thursday, Friday online)
 - 74% of families prefer to attend online classes from 8 am - 12 pm
- 15% of families will need aftercare if we are in school (yellow or green phase)
- 65% of families will consider online learning if their child (ren) has a medical condition that prohibits them from returning to school

At this point, we are planning to return to school in the fall (green phase) with guidance from the PA Department of Education, the CDC, the Diocese of Allentown, and the local school districts. At the request of the Diocesan Office of Education, I have established a Pandemic Management Team to oversee the development of a Health and Safety Plan and ongoing safety measures. The team is in the process of creating the plan. Please know that your child (ren)'s safety is our top priority. Once the plan has been developed and approved, I will be providing a comprehensive summary for your reference.

The faculty, staff, and I are looking forward to welcoming all students back to the school building in the fall. However, we do know school may look and feel a little different. We remain committed to making informed decisions based on the best available information focusing on the spiritual, educational, social, and emotional needs of our students.

Pray, hope, don't worry—St. Padre Pio

Blessings,

Mrs. Bruce
